Brief description of workshops / lectures/programs offered:

- The **new felt lace technique**, out of hand spun or commercial yarns (1 to 5 days workshop).
- Designing hand spun yarns especially for **surface design on felt** (1 to 2 days workshop).
- **The Great wheel**; the link between the spindle and the treadle spinning wheel (lecture or half day workshop).
- **A fibre artist journey: From raw fibres to the art work** (lecture with pictures).
- **Nuno felting with yarns**; a new adventure into the textile world (1 to 3 days workshop).

Other requirements (dietary, accommodations, locations where you will teach, etc.)

- I am available to teach or lecture to a clientele of all levels, anywhere (travel, food and lodging expenses to be covered if needed).
- A more detailed written teaching proposal will be sent upon inquiry.

Date: 12/17/13
