Brief description of workshops / lectures/programs offered:

- **Basketry** – Beginner to intermediate, traditional, functional styles with twining, rib, stake and strand construction, also slotted wood bases, using commercial reed, natural and dyed.
- **Colour** – Taking the guesswork out of colour choices, omitting costly mistakes, learning to make choices that work all the time, including unusual combinations.
- I offer classes and workshops in my home, four to eight students. Day or weekends. In addition to material and instruction fees, I can also provide B&B. Please inquire.

Other requirements (dietary, accommodations, locations where you will teach, etc.)

- I will travel pretty much throughout Ontario, usually driving.
- I have no special dietary requirements. I prefer to be home hosted rather than hotel.
- OHS Fees.
